PROFILE

A motivated and creative Computing graduate with a strong passion for web development and creating modern, user-friendly websites. I enjoy turning ideas into engaging digital experiences while combining functionality, responsive design, and visual appeal. My career goal is to grow as a Web Developer specializing in WordPress and front-end development, contribute to real-world web projects, and continuously develop my skills in modern web technologies.

EXPERIENCE

Full-Stack Developer Intern | Source Code Ltd

Jun 2026 – Present

- Develop responsive web applications using HTML, CSS, and JavaScript.
- Work with SQL and databases for data management.
- Use Git, GitHub and VS Code for development and version control.

Operations & Administration Assistant | Fly High Overseas Consultants Pvt Ltd

Jan 2025 – Apr 2026

- Maintained and updated records with a high level of accuracy
- Assisted with application processing and maintained accurate digital records
- Processed and verified business data and documentation
